

Board of Secondary Education

Subject: Physics

Class: 10th

Time Allowed: 3 Hours

Marks: 75

Year: Sample 2024

SECTION A – MCQs (12 Marks)

(... 12 MCQs on Laws of Motion, Energy, Waves, Circuits)

SECTION B – Short Questions (25 Marks)

(... 6–7 short questions e.g. define momentum, explain reflection, Ohm's Law, draw ray diagrams)

SECTION C – Long Questions (38 Marks)

(... derivations, numerical problems, essays e.g. kinetic/potential energy, transformer working, types of waves)
